

Home Centeri vahetus kaugligipääsukeskkonnas

1. Vana konto kustutamine.

Logige Home.fibaro.com sisse, sealt valige [Try logging in with your old user name](#), klikki sinna.

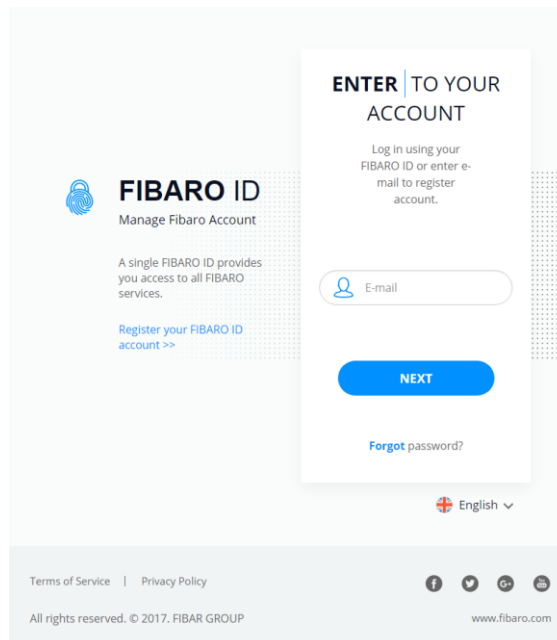

Nüüd avaneb loetelu teie kontoga seotud FIBARO keskustest. Vajutage olemasoleva kõrval punast X-i ning eemaldage see enda konto küljest

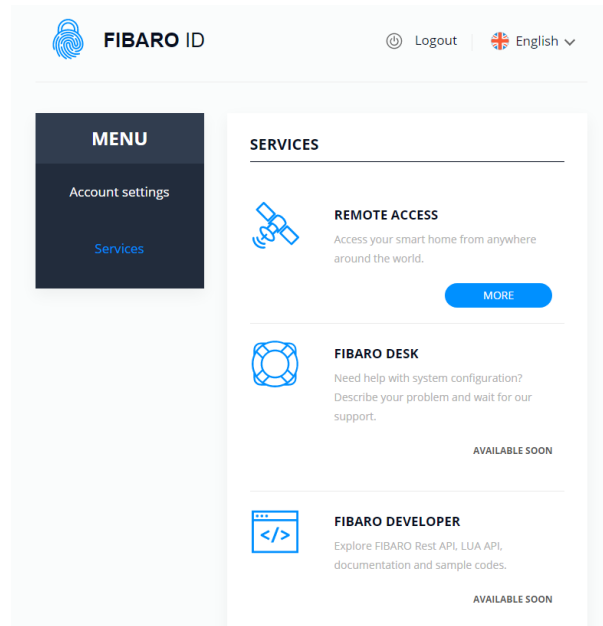

2 Lisamine uue konto külge:

- 1) Logige sisse enda kontoga FIBARO ID platvormile <https://id.cloud.fibaro.com/>

- 2) Valige REMOTE ACCESSi alt **MORE**

- 3) Avanedud leheküljel klikkige **LOG IN** sinisele kastile

- 4) Lisage uus Home Center enda konto külge, klikkides rohelisele nupule **ADD HC** ja sisestage nõutud numbrid. Seerianumber ja MAC address ning vajutage ADD
